

Supported Projects: Streets Alive Stream 1 2024

GASCOYNE REGION

Shire of Carnarvon

Youth Precinct – Traffic Calming

PROJECT SUMMARY

To implement traffic calming measures of asphalt art and planter boxes with trees within the Youth Precinct of Carnarvon in design coordination with the community to increase road safety and create a youth-focused zone.

PILBARA REGION

Shire of East Pilbara

Streets Alive – Shire of East Pilbara

PROJECT SUMMARY

Installation of a road mural in the Newman town centre to increase community connection, promote road safety and calm traffic. In addition the mural will serve to connect with the school and the local shopping centre for pedestrian safety.

Shire of Broome

Concept Proposal Development for Alternative Traffic Calming Solutions

PROJECT SUMMARY

To research road safety issues with the community to provide recommendations for place improvements and traffic calming solutions near local primary schools of Broome Primary School at Robinson Street, Anne Street and Weld Street and Cable Beach Primary and Saint Mary's College at Cryer Court and Dakas Street.

KIMBERLEY REGION

Shire of Derby / West Kimberley

Improving road safety in Derby

PROJECT SUMMARY

The Shire plans to conduct consultations with residents and road users in the 'Back Streets' area of Derby to address road safety concerns. The result will be the development of an Action Plan for improvements that can be implemented in the future and to educate the local community.

Enterprise Partnerships WA

Piriwa placemaking stage 2

PROJECT SUMMARY

To create an Action Plan to improve road safety of the Balgo town centre making it more vibrant and people friendly. Community workshops held in partnership with the Piriwa leadership team and Wirrimanu Aboriginal corporation.
